

RUBBER FLOORING
IN PLANKS

NEOFLEX
SURGE
SERIES

Neoflex Surge Series.

Neoflex™ Surge Series is a 100% EPDM rubber floor covering made of polymerically bound synthetic rubber, which incorporates an advanced polyurethane coating technology.

Designed for use in indoor commercial settings, it exhibits excellent physical properties of EPDM rubber floors such as user comfort, flexibility, durability, sound insulation and step noise reduction.

Neoflex Rubber Flooring is globally recognized as a superior product of an ISO 9001 & ISO 14001 certified manufacturer of rubber flooring for 33 years.

Inspired by Nature.

Inspired by wave motion, a disturbance by stress or strain from equilibrium, a directional displacement over time.

Neoflex Surge Series showcases exquisite color combinations across its 44 colorways, giving the floor a strong presence that is at once both dramatic, yet reassuring.

Standard Colors.

Neoflex Surge Series is available in a wide variety of standard colorways that utilize two pattern colors printed over a black EPDM rubber base.

The below color swatches are meant to give you a first impression of colors and materials. Experience has shown, however, that printed versions of colors cannot in all cases faithfully reproduce the color appearance of the originals. We therefore recommend that you consult your Neoflex partner on your preferred color choices, who will be happy to show you original samples and assist you.

Standard Thicknesses.

Neoflex Surge Series is manufactured in 2 thicknesses, each designed to be used for different fitness flooring applications.

All thicknesses utilize a 2.5mm EPDM top layer. 6mm thickness consists of a 2.5mm EPDM layer laminated to a recycled SBR rubber underlay.

If thicker product is required, rubber underlay can be supplied in rolls, and Neoflex Surge Series can be adhered on top.

Limitless Potential.

Combining great ideas, cutting edge design, and an eye for functionality, Rephouse manufactures rubber flooring products in many varieties other than Neoflex Interweave Series.
