ScrapeRIB

ScrapeRIB is an intense wear carpet for medium to high wear areas that efficiently removes dirt and water from footwear approaching from all directions. ScrapeRIB is available in 2 appealing colours to ensure your choice of colour will compliment any workplace environment.

Save on regular cleaning of your floor coverings by concentrating your efforts on the working part of your floor. There is no need to remove when cleaning, as dirt cannot drop through. A correctly sized and positioned ScrapeRIB mat will prolong the life of your floor coverings with a proven saving on maintenance.

Available in 2000mm wide rolls

ScrapeRIB has a 2-year warranty on wear and performance, stairs excepted, conditional on the product being installed and maintained according to the manufacturers recommendations.
