Carpet Tiles

### Sound Absorption

Voxflor carpet tiles can reduce reverberative noise in a commercial environment.

### UV Resistance

Some fading may be observed in areas of intense sunlight.

### Sustainability

Voxflor is committed to the protection of the environment and all products are manufactured to strict ISO 14001: 2004 standards.

### Installation

Mossburn carpet tiles must be installed by a competent and experienced carpet installer and we recommend the full stick method - more information on the recommended installation procedures is available on our website [www.advanceflooringsystems.com](http://www.advanceflooringsystems.com) or upon request.

We recommend the following installation method for Mossburn.

QUARTER-TURN

### Recommended Adhesives

Strongbond 65 – Look Floors, Polymer 999 PS – Gilt Edge Industries and Mapei Ultrabond Eco Fix.

### Cleaning and Maintenance

Proper maintenance is one of the most important factors to ensure good performance of carpet. When possible, Mossburn should be vacuumed daily. In the first instance, a good entrance matting system installed at entry areas will help collect up to 90% soiling before it is tracked into the interior of the building - more information on the recommended maintenance procedures is available on our website [www.advanceflooringsystems.com](http://www.advanceflooringsystems.com) or upon request.

### Warranty

The manufacturer guarantees the product for ten (10) years for wear resistance, delamination and dimensional stability. Ease & Rush Hour has a lifetime stain, soil and antistatic limited warranty and a 25-year fade resistance, abrasive wear limited warranty and a 15-year castor chair limited warranty.
