

BROSS

ENTRANCE CARPET

Bross is a safe plush entry carpet solution, that can be installed level with the surrounding floor surface creating a seamless transition into the building. The pile provides great abrasion resistance, a safe solution to avoid the risk of injury from slips and falls.

As a heavy-duty entry carpet solution Bross will trap dirt and moisture from footwear from all directions at entrance ways. Stopping walked in dirt and moisture will prolong the life of your floor as well as greatly reducing cleaning costs.

Bross is available as an entry carpet and is also your choice of infill for the Classic Series of Entrance Matting Systems – Orbit and StarTread.

Available in 20 metre rolls x 2000mm wide.
Can be cut to custom lengths.

Bross has the following benefits:

- ✓ **Seamless, low profile surface**
- ✓ **Heavy duty performance, suitable for high traffic areas**
- ✓ **Removes dirt and moisture from any direction**
- ✓ **Effective, traps walked in dirt and moisture**
- ✓ **Dimensionally stable**
- ✓ **Slip resistant, mitigates slips and falls causing injury**
- ✓ **Save cleaning costs, easy to clean and maintain**
- ✓ **Compliant, has been tested and exceeds the NZ flammability requirements**
- ✓ **Supported by a 5-year manufacturer limited warranty**
