

Invercargill Airport, NZ

Entrance Matting Systems

# ExtraTread

## ExtraTread

ExtraTread is a prestigious aluminium and carpet strip mat with extra wide intense wear infills designed and engineered with 37% extra water absorbing capacity than other comparable entrance mats.

15 Year Guarantee

Compliant

Super Water Absorbent

### Safe

- Additional friction provides more anti-slip control and 37% more water absorbing capacity
- Exceeds fire safety regulations
- Highly moisture absorbent Polyamide inserts further reduce slip hazards

### Performs

- Provides an additional 37% more moisture absorption than other comparable mats
- Polyamide inserts trap more dirt saving you cleaning costs
- Moulded continuous vinyl cushion feet eliminate mat noise

### Attractive

- Extra wide infills provides a plush appearance
- Stylish interlocking mat with a variety of colour polyamide inserts to choose from
- Ultra-low 10mm design to suit the most prestigious entranceways

### Easy to install and maintain

- Larger mats can be made in fully interlocking sections for easy onsite assembly
- Dirt is trapped on specially designed corrugated rails for ease of cleaning
- Stain resistant Polyamide inserts for superior appearance retention

Multi-directional, highly absorbent polyamide insert traps dirt and moisture from all directions
