Overall weight	3,000 g/M ²

Pattern & Colours

Flat needle punch velour appearance available in a range of 4 colours.

Manufacture

Bross entrance carpets are manufactured in Italy, by Vigano Pavitex using manufacturing processes that are ISO 9001 compliant for its Quality Management Systems.

Smoke/Fire

Bross entrance carpets have been tested and exceed the NZ requirements.

Technical Data Sheet

Bross - 1/23

Entrance Carpet

Durability

Class 23-33

Sound Absorption

Bross carpet can reduce impact noise by up to 15dB.

UV Resistant

Some fading may be observed in areas of intense sunlight.

Sustainability

Bross entrance carpets supplied with the optional rubber backing system contain up to 30% recycled content to the backing system.

Installation

Bross carpet must be installed by a competent and experienced carpet installer and we recommend the full stick method - more information on the recommended installation procedures is available on our website www.advanceflooring.co.nz or upon request.

Recommended Adhesives

Entrance matting applications - Giltgrip 88 – Gilt Edge Industries Ltd

Applications other than entrance matting - Strongbond 65 – Look Floors, or Polymer 999 PS – Gilt Edge Industries Ltd.

Cleaning and Maintenance

Proper maintenance is one of the most important factors to ensure good performance of any carpet.

Bross should be vacuumed daily as it will collect up to significant soiling before it is tracked into the interior of the building. More information on the recommended maintenance procedures is available on our website www.advanceflooring.co.nz or upon request.

Warranty

Bross has a 2-year warranty on wear and performance, stairs excepted, conditional on the product being installed and maintained according to the manufacturers recommendation.
