

# Technical Data Sheet

WideRIB - 1/23

Indoor/Outdoor Carpet

## Distributor/Manufacturer

Advance Flooring Systems Limited/Vigano Pavitex

## Trade Name

WideRIB

## Product Description

Solution Dyed polypropylene fibre carpet with a latex backing system.

## Product Benefit

WideRIB is a sustainably manufactured Indoor/Outdoor carpet with needle punched fibres designed to trap soil from any direction, that is durable, UV resistant and easy to clean.

## Area of Application

WideRIB is suitable for building entrances and for use in any high traffic commercial areas and is suitable for indoor and outdoor applications.

## Composition

WideRIB carpet tiles are made with a single layer needle velour construction consisting of 100% Polypropylene, bonded to a SBR latex primary backing system.

## Dimensions

Overall thickness	9mm
Roll Size	25 metre rolls x 2000mm wide (can be cut to custom lengths)
Overall weight	1,500 g/M <sup>2</sup>

## Pattern & Colours

Ribbon needle punch velour appearance available in a range of 1 colour.

## Manufacture

WideRIB entrance carpets are manufactured in Italy, by Vigano Pavitex using manufacturing processes that are ISO 9001 compliant for its Quality Management Systems.

## Smoke/Fire

WideRIB entrance carpets have been tested and exceed the NZ requirements.

# Technical Data Sheet

WideRIB - 1/23

Indoor/Outdoor Carpet

## Durability

Heavy Duty (excluding castors).

## UV Resistance

WideRIB is suitable for exterior use. Some fading may be observed in areas of intense sunlight.

## Installation

WideRIB carpet tiles must be installed by a competent and experienced carpet installer and we recommend the full stick method - more information on the recommended installation procedures is available on our website [www.advanceflooring.co.nz](http://www.advanceflooring.co.nz) or upon request.

## Recommended Adhesives

Exterior applications – Roberts 6037

Covered external areas/garages (no pooling water) - Giltgrip 777

Internal (dry) areas – Uzin 57.

## Cleaning and Maintenance

Proper maintenance is one of the most important factors to ensure good performance of any carpet.

WideRIB should be vacuumed daily as it will collect up to 90% soiling before it is tracked into the interior of the building. More information on the recommended maintenance procedures is

## Warranty

WideRIB has a 10-year warranty on wear and performance, stairs excepted, conditional on the product being installed and maintained according to the manufacturers recommendation for intended use. WideRIB has a 3 year warranty on wear and performance and against from breakdown from UV on exterior installations.
