Tile size	500 x 500mm

Pattern & Colours

Available in a range of 3 patterns with 8 colours in total.

Manufacture

Streetscape is manufactured in India by Welspun using a manufacturing process that is ISO 14001:2004 compliant for its Environmental Management Systems.

Smoke/Fire

Streetscape carpet tiles have been tested and comply by exceeding the NZ requirements.

Electrical Resistance

Streetscape carpet tiles have been tested and comply by exceeding the NZ requirements.

Durability

32 Wear Resistance.

Express Delivery Streetscape - Carpet Tiles

Sound Absorption

Streetscape carpet tiles can reduce reverberative noise in a commercial office environment.

UV Resistance

Some fading may be observed in areas of intense sunlight.

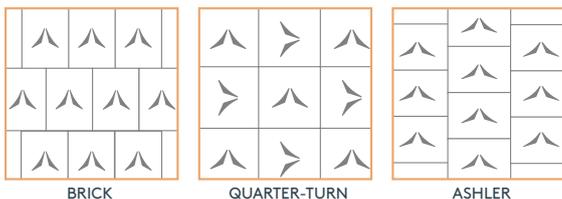

Sustainability

Welspun is committed to the protection of the environment and all products are manufactured to strict ISO 14001:2004 standards.

Installation

Streetscape carpet tiles must be installed by a competent and experienced carpet installer and we recommend the full stick method - more information on the recommended installation procedures is available on our website www.advanceflooring.co.nz or upon request.

We recommend the following installation method for Streetscape.

Recommended Adhesive

Refer to Streetscape Carpet Tiles Installation Guide.

Cleaning and Maintenance

Proper maintenance is one of the most important factors to ensure good performance of carpet. When possible Streetscape should be vacuumed daily. In the first instance, a good entrance matting system installed at entry areas will help collect up to 90% soiling before it is tracked into the interior of the building - more information on the recommended maintenance procedures is available on our website www.advanceflooring.co.nz or upon request.

Warranty

The manufacturer guarantees the product for 15 (fifteen) years for wear resistance, delamination and dimensional stability. Streetscape has a lifetime stain, soil, antistatic and a 15-year castor chair limited warranty.
